About us

Manthan IT Solutions Technologies is an organization driven on enthusiasm and desire of young blood. Started on very 1st day of historic year 2005, **Manthan IT Solutions** is now a well known brand in Web market. We have managed to outlook our past with achievements of present and dreams of future.

Started with hands full of resources and sky high dreams of 4 New Delhi (India) based entrepreneurs, **Manthan IT Solutions** now have achieved many milestones in past 4 years. We have unmatched presence in the market of Web. Our work, Client satisfaction, achievements, past growth track record speaks for us. Unlike other we have always preferred Human relations and values over and above profits and revenue. Client's satisfaction is still our measuring stick when we calculate our achievements.

After cementing our place in web-development, we have also managed well to acquire some respective positions in adjoining fields too. Now **Manthan IT Solutions** skill sets are widely spread in.

- Application Development and Maintenance
- Web-Designing and Development
- Customized solutions and Consultancy
- Quality Assurance

About Voice SMS

Voice SMS Service calls are pre-recorded voice messages offered to mobile phones and landline networks in a desired region or nice to target particular customer zone. Voice Calls are completely automated process hence no operators or dialer is need to process the call, once the system is set with your pre-recorded message and contact list through our user friendly online control panel then our system will start calling the recipients and plays your pre-recorded voice message.

Time of Delivery

- The product will be deployed on customer's server within 2 working days.
- Custom features, if any, a separate time line will be provided once the scope is finalized.

Product Training

MIS will provide online training along with User Manual to the Customer to operate the software.

SMS Charges

- MIS Voice SMS Charges : 25 Paisa / SMS + GST
- Minimum Purchase of 1 Lac Voice SMS.

Online maintenance & support

- The online support will be provided from 10 AM to 6 PM, Indian Standard Time (GMT+5:30).
- In case of emergency/critical situation, support will be provided instantly 24 X 7.
- Any major feature developments will require additional cost as per the quotation provided at the time of feature request. The classification of feature request will be at sole discretion of MIS.

Thanks & Regards Manveer Singh
